

## **Bunyip Equestrian Club**

Hello competitors!

Thankyou for entering our show, we have had a great response and look forward to seeing you all there.

The address of the competition is Pound Road Reserve, Pound Road, Bunyip.

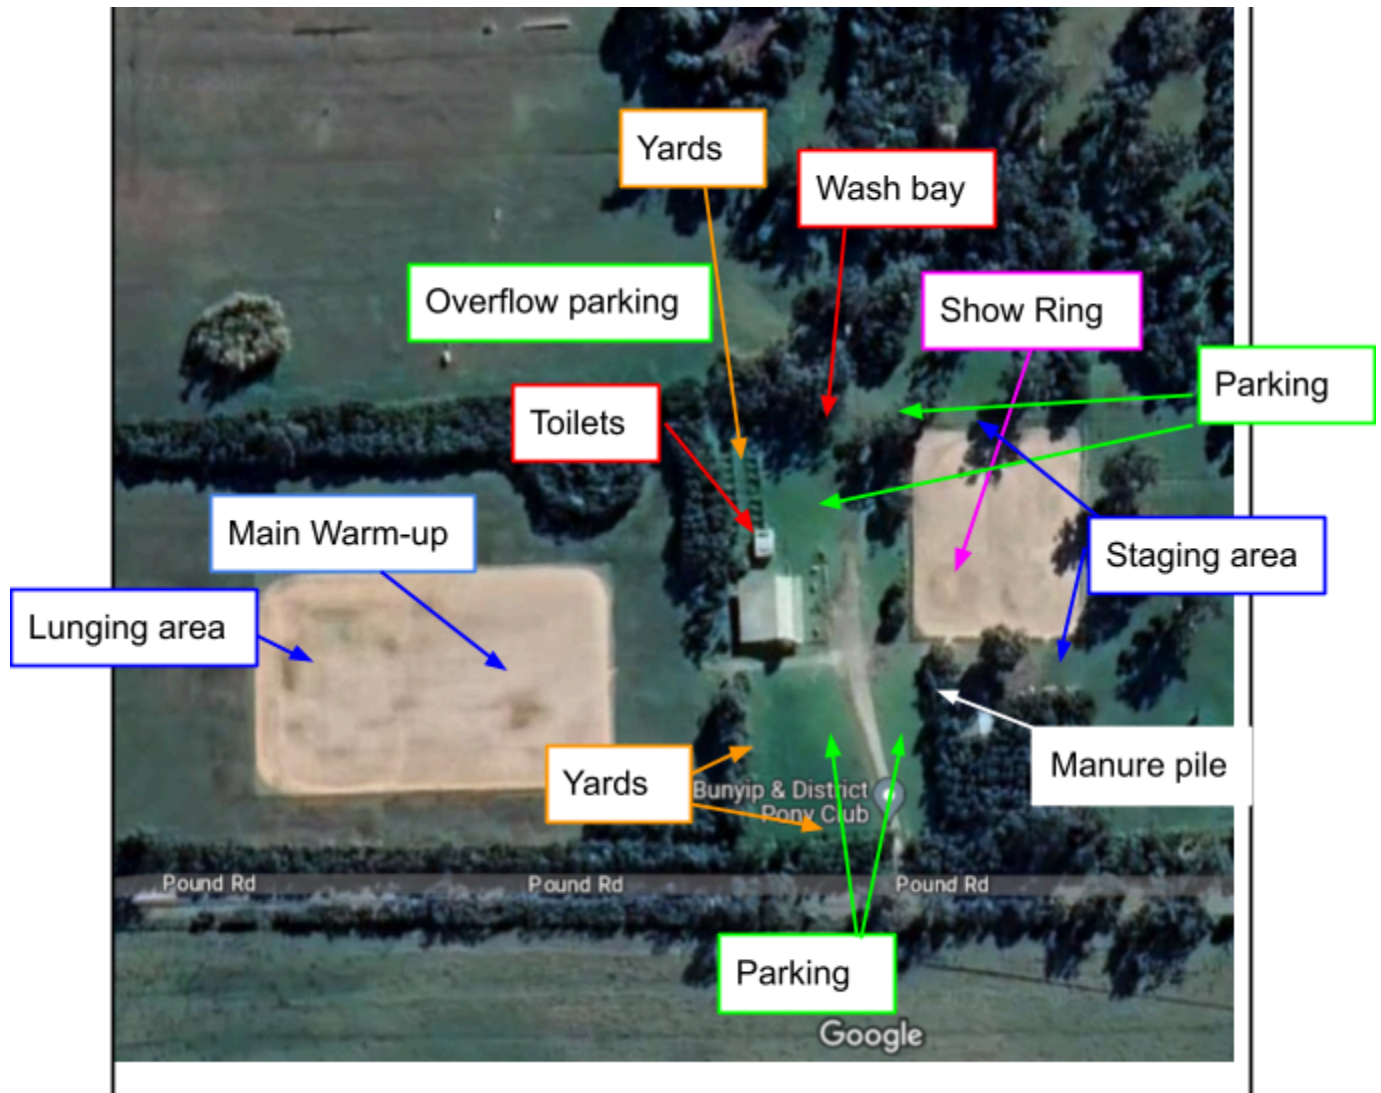

A few things to note to help the day run smoothly:

- Please follow directions of the parking attendant for parking. If possible please park close to the vehicle next to you and try and remember that other people need to get in and out. While we will have someone assisting with parking, common sense and courtesy when choosing a park is still the best option!
- There are yards available as marked on the map. Some are already designated and will be labeled. The yards are available on a first in best dressed basis. (See map at the end of the document).
- Water is available at the washbays, in the big white totes near the manure bins and behind the toilets.
- There will be a coffee and food van on scene to help keep you caffeinated and fed.
- There is a photographer who will be there all day to capture all the fun horsey moments.
- Award presentations will be held at the end of each class with the jackpot and OTT awards being at the end of the day.
- Please place manure in the manure pile located near the main arena as you will see on the map. We ask that you clean up after your horses, and ensure around your float or in your yard is clean before you leave.
- There is a lunging area located at the back of the main warm up. While warming up please remember your arena etiquette and that we are all there to have fun.

- The level 4 and 5 ring is closest to the gate you drove in, the Level 3/2/1/Adv ring is closest to the bush. There is a small marshaling area by each of the gates into the main show ring.
- There will be first aid qualified people available on the day should anyone need it. Even if you are not injured if you fall off, please make sure we are aware so the appropriate paperwork can be filled out.
- If you take any photos with your prizes, please feel free to send them to us on our facebook page or email. If you win a prize, please remember to thank the sponsors after the event as they love seeing their contributions being used and appreciated!
- If you have to scratch we now require a vet certificate or doctor certificate, so please include these if you require a refund. If you have to scratch on the day of the competition, please do so via SMS - 0419334967.
- We have some fabulous prizes from our very generous sponsors – there is a pop up stall from Iron Horse Equine nutrition where you can see the products, lessons with *Rachelle Wilson*, vouchers from Equipoise Pilates for pilates on and off the horse, Little Red Duck vouchers, some vouchers from “Everything’s better with Wine”, those essentials horse/farm things from *Bunyip Rural Supplies*, and Feeling Free Wellbeing equine sports massage therapy vouchers just to mention a few!!
- We will be splitting the Level 4 and Level 3 classes due to the larger number of entries. Riders with the earlier bridle numbers (1-7) will be in the first section, and those with higher bridle numbers (8-14/15) in the later section. Please be prepared for that. .
- For those of you on facebook, please join our events page - BEC Official Winter Woolies Show 2024 - where it is easiest to get updates. For any questions or concerns, please let us know via email or the fb page.
- Bridle numbers are attached below the map - if there are any questions - or someone is missing - then please text 0419334967 or email [bunypec@gmail.com](mailto:bunypec@gmail.com)

So far the weather is looking like it will not be raining. Good luck, see you on the weekend! All the best and have fun!

Your friendly bunyip committee

Draw Number	Rider Name	Horse Name
101	Yvette Stewart	BLACK TUXEDO
102	Natasha Monckton	DM PLAYER
