

Good evening riders!!

Fingers crossed for so looking forward to seeing you all out there having some fun.

The copy of the draw is attached. There are a few late entries who will be going on the end - if you were a late entry don't worry - there is a spot for you!

(For those looking online on nominate - when you go to the draw, if you are not seeing draw numbers, choose the Interest to be HRCVA instead of dressage).

Yards allocations - if you have requested a yard there will be one with your name on it - otherwise any ones without a name are free - there are enough for everyone if required

Most of all, make sure that you have fun with your ponies and fellow competitors!

Tania
